

**ABOUT:** Wildwood began as a small deli in San Francisco in 1978 and has grown into the leading, premier natural and organic tofu and flavored tofu company on the West Coast and in Natural market, the premier brand in the nation. Our organic and all-natural meat and dairy alternatives, spreads and dips are favorites among health-conscious families in tune with nature.

**TOFU AND MEAT ALTERNATIVE:** Wildwood organic, natural, super-firm, vacuum packed tofu is made with sprouted soybeans and is the firmest tofu in the US. It also has 14 g of soy protein, making it one of the most easily digestible tofu on the market.

Wildwood was the first to bring original retail-packaged flavored natural tofu options to the US market and now offers four baked varieties including Aloha Baked, Royal Thai Baked, Savory Baked, Teriyaki Baked as well as three smoked varieties including Garlic Teriyaki, Hickory BBQ Smoked, and Mild Szechwan Smoked. Finally, a sweetened Golden Pineapple Teriyaki tofu made with sprouted soybeans rounds out the line of flavored-tofus which all have no cholesterol and no trans fat.

Wildwood also offers four Veggie Burger varieties: Original, Shiitake, Southwest and our newest addition: Reduced Fat. The Wildwood Veggie Burger is the #1 all-natural, veggie burger in the US.

New to the Wildwood line of meat alternative products are our delicious Meatless Meatballs and Tofu Crumbles. Our Tofu Crumbles come with taco spices and are ideal for a healthy Mexican meal or throwing in a salad for a flavor boost.

**DIPS AND SPREADS:** Wildwood Organic Salsa is made with only the freshest, highest quality and 100 percent organic ingredients. This low-calorie, fat free and gluten free product is a great healthy snack option and comes in Mild, Medium and Hot.

Wildwood/Emerald Valley Kitchen Homestyle Hummus comes in four flavors: Traditional, Greek Olive & Garlic, Smoked Jalapeno & Garlic or Roasted Red Pepper – you can't go wrong with any of our delicious varieties!

Excellent as a hot dip, a sandwich spread, on wraps, burritos and nachos.

Wildwood/Emerald Valley Kitchen 3-Bean Dip makes for quick and healthy meals everyone will love!

Wildwood Aioli is a refreshingly zesty mayonnaise alternative. It is the perfect vegan spread to use in recipes and sandwiches!

**PASTA ALTERNATIVES:** Our revolutionary PastaSlim makes it easy to indulge while watching your waistline! In three delicious varieties, Spaghetti, Spinach Fettuccini and Tomato & Herbs Angel Hair, it's easy to enjoy a big plate of pasta without any guilt. All of our PastaSlim products are gluten free and only 20-25 calories per serving.

## Wildwood Fact Sheet

**DAIRY ALTERNATIVES:** Delicious Wildwood creamers and soymilks are made with no hydrogenated or tropical oils, have no trans fats and are gluten-free and cholesterol-free.

**AVAILABILITY:** Wildwood products can be found at Whole Foods, select grocery and natural stores in the refrigerated section.
